CALL-EM-ALL BROADCAST

System No.	600	**System Name:**	Tanglewilde
Date:	9/4/2026	**Broadcast Title:**	Car Obstructions on Road
Message:	This is a recorded message from Thurston PUD, your water provider, regarding upcoming construction work in your area of the Tanglewilde-Thompson Place water system. Construction activity will be occurring in the roadway during our mainline replacement project. Signs will be posted near the street, and flyers will also be distributed to properties providing at least 48-hours' notice before construction work begins. Any vehicles parked on the street during construction will need to be moved to allow crews safe access to the work zone. If any vehicles remain parked in the roadway and obstruct construction activity, they will be towed at the owner's expense. If you have any questions, please contact customer service toll free at (866) 357-8783. If you would like to opt out of receiving automated calls from our office, which can include outage information and possible health emergencies, please follow the instructions at the end of this message. We apologize for any inconvenience. Thank you, and have a great day.
