

Advanced Meter Program

Program Overview

Single-family, residential customers are eligible for the PUD's Advanced Meter Program which offers an easy-to-use, conservation-minded solution to those customers who want to closely monitor their water consumption.

Badger Orion Cellular Meter

The ORION® Cellular endpoint is an innovative, two-way water endpoint that utilizes existing cellular infrastructure to efficiently and securely deliver meter reading data to the utility and customer portal via the reliable cellular network.

Beacon "EyeOnWater" Advanced Metering Analytics

EyeOnWater web portal and native smartphone apps provide consumers with easy access to personal water consumption data and the ability to create alerts for potential leaks with no need to wait for notification from the utility or a large water bill to take action.

Benefits

- Gives utility customers direct access to their water consumption data, allowing them to easily view, understand and manage their water usage.
- Promotes and gives ability to make changes in behavior related to water conservation.

Features

- Hourly, daily, monthly, and yearly data and charts
- Temperature and precipitation overlays
- Week-over-week consumption comparisons
- Configurable leak alerts by email or SMS text
- Web-based consumer portal, plus Android and iOS mobile apps
- Leak alerts and water consumption thresholds

Advance Meter Request Process

To request an advanced meter, a completed request form must be submitted to:

Thurston PUD

1230 Ruddell Rd SE

Lacey WA 98503

PUDCustomerService@ThurstonPUD.org

Fax: (360) 357-1172

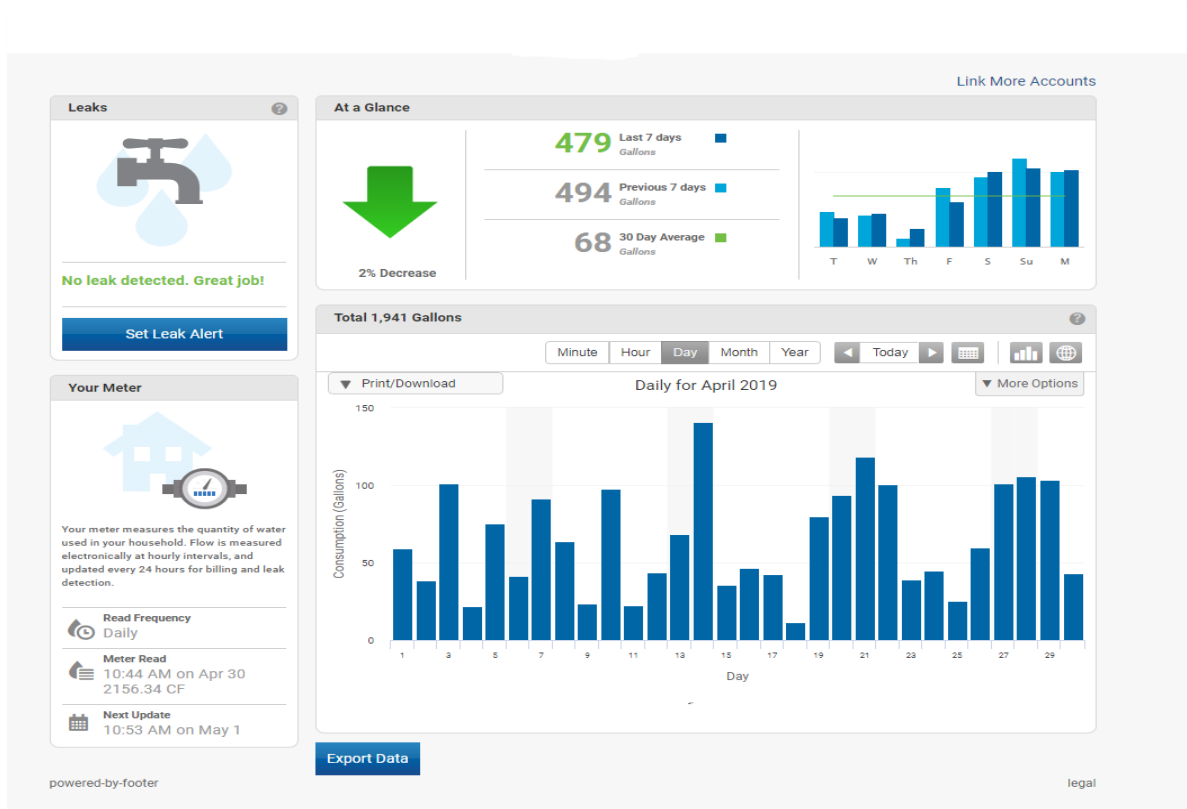

The Advanced Meter Request Form can be found on the following page.

Additional Information

For more information on the PUD's conservation programs, please visit www.thurstonpud.org/water-systems.htm.

Customers are billed \$50.00 for the meter itself (valued at \$250.00), then an additional \$3.00 per month for ongoing access to the EyeOnWater application or "app".

Customers will gain access to an online dashboard, accessible by computer or on a mobile device, to view consumption, leak alerts, or tips on conserving water. An example of the customer dashboard is shown below.

Advanced Meter Request Form

If you are a single-family, residential customer of any PUD-owned water system and would like to request an advanced (cellular) meter via the PUD's Advanced Meter Program, please complete the requested information below.

Customer Name: _____

Primary Phone: _____ Secondary Phone: _____

Email Address: _____

Service Address: _____

Mailing Address: _____

Terms & Conditions

Request forms with missing or incomplete information will not be processed. A billing amount of \$50.00 will be added to your account for the cost of the cellular meter, and you will be charged \$3.00 per month for the ongoing cost of the program. Thurston PUD reserves the right to approve and/or deny cellular meter requests at its discretion.

Acceptance of Terms & Conditions

I have read, understand, and agree to the terms and conditions of this program.

Signed: _____ Date: _____
