RE: Water System Information Required for Refinancing or Resales

Attention homeowners, real estate agents, and escrow personnel:

If you require water system information for a refinance or sale, Thurston PUD can provide a lender letter for a requested property. The lender letter includes basic information for the water system and a copy of the most recent water test for the water system. There is a \$55.00 fee to generate the letter, and payment must be received before the PUD can process a request.

If you'd like to request a lender letter, please fax your request to (360) 357-1172 or e-mail PUDCustomerService@thurstonpud.org. Please be sure to include your contact information and the service address. Please allow up to three business days to process each request.

If you'd like to avoid paying the lender letter fee, please visit the Office of Drinking Water (Washington State Department of Health - Division of Environmental Health) website at <https://fortress.wa.gov/doh/eh/portal/odw/si/Intro.aspx>.

If you have any questions, please contact our office toll-free at (866) 357-8783 or via e-mail at PUDCustomerService@thurstonpud.org. Thank you!

Respectfully,

Customer Service
Thurston PUD
