of Thurston County**

Commissioners

Linda Oosterman – District 1
Russell E. Olsen – District 2
Chris Stearns – District 3

August 14, 2015

Update on Lew's 81st Consolidation Project

The project has been opened to the public for bids to complete the consolidation which includes a new reservoir and booster station at the Jenni well site.

The bids are due on August 20, 2015 and a bid tab should be on our website by the next day.

We hope to have construction started by the second week in September and completed by the end of the year.
